The Teasa Co. and many other big companies believe that well is but a forenance of a big pool on Best River, and west of Burkbarnett. The big companies have leased up everything they could find, but Burk Business bent them to 100 choice acres of potential oil land.

McClurken Bldg., Wichita Falls, Texas, Reliable Agents Wanted. When the great Burk-Waggoner well spouted oil April 25, this year, only two months ago, if opened an era of golden investment opportunities such as the people of America have never known before. The original pool has paid stockholders over 87,000,000,00 in dividends since the discovery well was brought in last July, hundreds and thousands who formerly had made a bare living by their daily work have been made independent by oil investments, and even greater opportunity to invest your money and have it come back to you many times over is now offered you by the

Ever since the Burk-Wuggener will was brought in, for away from
production, the burning question has been: Does the oil pool cross
fled river into Oktahoma, follow it on the Texas side, or do both?
The efficient of the Burk-Honaneq Oil Co. have taken no chances,
but have purchased four choice leakes, one across the river from the
Burk-Waggener, and three on the Texas side, and further up Bed
river. No mutter which vary the pool goes, we win a And we think
we have a splendid chance of winning more than once, for the 5000
carred Texas Chief gusher, north of the Burk-Waggener and right
on the river's edge, indicates an extension of the pool into Oklahoma, and the M. & P. Burk, a wild wilded, above a westward extension towards the Burk-Bonanea's leaves on the Texas side of Red

5 FOR 1 CERTAIN

The Burk-Wagginer Co. sold their 50-acre bease for \$2,000,000.00, or \$40,000.00 per acre. On that basis, if we have hard luck and hit on only one of the four leases, and it is the smallest one, 30 zeros, it will mean that we can sell our screnge for \$1,200,000.00, or nearly five times our capitalization of \$250,000.00.

A MINIMUM OF \$480.00 FOR EACH \$100.00 INVESTED

PRACTICALLY CERTAIN

And remember, if the dopesters are correct in believing the new pool will be found to both cross Red River and follow it, and all our 80 acres are underlied with out, it will being \$7,290,000.00 on \$3,200.00 on each \$100.00 invested, to those who take a ride to fortune with
